University of Oulu, Mechanical engineering, Mechatronics (259/300 ECTS)

A short list about the most interesting and useful courses

Mechanical engineering bachelor degree studies

Computer science of machines (Working principle of 8-bit computer)

Machine automation (PLC, TwinCAT 3)

Sensor technology (Basics of sensor technology)

Precision engineering (I did an exercisework about one of hobby projects)

Few programming courses

Plus many courses about Math, Physics and Engineering

Master of science in engineering studies

Digital technology (Easy course, knew already basics of digital logic)

Computer systems (Programming of embedded device (C), Sensor tag)

Communication networks (Easy course, knew already basics of the internet)

Radiotechnology (Interesting course about mystical world of radiotechnology)

Mechatronics and extension course (How to combine mechanics, electronics, computing technology and control systems)

Basics of the software business (Pretty annoying essay writing course)

More programming, Algorithms and data structures etc.

I have also attended some MOOC-courses of the University of Helsinki like Java programming, Cyber Security with F-secure and Elements of AI. I also have PMAF Project Management Foundation Certificate granted by PMAF Project Management Association Finland, member association of the International Project Management Association IPMA.

Certificates

09.12.2018 Introduction to Cyber Security, Granted by Computer Science department of University of Helsinki in collaboration with F-Secure

02.11.2018 Elements of AI, Granted by University of Helsinki

28.12.2017 PMAF Project Management Foundation Certificate, Granted by PMAF Project Management Association Finland

Work history

04/2019 - 10/2019 Library of Oulu, Digital handyman, Virtual Reality instructor

12/2018 Posti Oy, Post worker, Sorting

05/2016 - 08/2016 Real estate service of city of Kuhmo, Construction worker

07/2014 - 07/2015 and 04/2013 - 01/2014 Posti Oy, Post worker, Sorting, Mail delivery Package delivery

Linguistic abilities

Finnish - Native

English - Fluent

Swedish - Adequate

Russia - Basics
